

ETHOS Contracting Group, LLC

Job Description: General Laborer Position

Our company provides all material, labor, equipment, and services required for a commercial construction project. We are responsible for hiring and managing specialized subcontractors to perform the work at each job site and are looking to hire general laborers to work closely with our specialized workers throughout the completion of each job. Ethos Contracting Group strives to bring exceptional solutions to the commercial construction industry. By definition, our 'ethos' is the deeply held belief that our client's success is our success.

General Laborer Duties and Responsibilities:

- Assisting skilled tradespeople in their duties.
- Perform various physical duties as assigned.
- Maintain all safety standards.
- Move, secure, install, build, load, or unload materials.
- Clean and prepare construction sites.
- Building and taking down scaffolding and temporary structures.
- Effectively operate heavy and light equipment, depending on the job site/assignment.
- Move items from place to place, according to direction from the site supervisor.
- Move tools, equipment, or other materials as directed in plans or by supervisor.
- Follow all instructions from supervisors and implementing construction plans.

General Laborer Work Hours/Benefits:

- 40 hour work week
- Overtime – time and a half pay per hour
- Two-weeks paid vacation after one year
- Insurance available
- 401k Retirement Plan Available beginning 2023

General Laborer Qualifications/Skills:

- High School diploma is an asset
- Ability to safely operate various vehicles, machines, and other equipment
- Previous experience preferred
